

SHRIMP HATCHERY

LOCATION:	Figtree Beach Road, Garners Beach via Bingil Bay
OWNER:	Great Barrier Reef Shrimp Hatcheries P/L
REFERENCE:	Not available. (sold to unknown party - 2000)
PERIOD:	August 1996 - December 1996
CONTRACT VALUE:	\$ 450,000.00
PROJECT VALUE:	\$1,000,000.00

DETAILS:

The site had a poor foundation, and major earthworks were undertaken including the construction of a large raft slab of 1500m² in area. Approximately 10 tonne of structural steelwork was fabricated by us and hot dip galvanised. In excess of 200m³ of concrete was used on this project, and more than 12000 concrete blocks were laid. The facility has specialized electrical services, backup generator, car parks, and laboratory fit out.

Procurement System: Traditional (Lump Sum)

Service Category: New Construction Work

Project Type: Industrial - Warehouse - Factory & Research Laboratory - Marine

Service Activities: Bulk earthworks, Carpentry, Concreting, Bricklaying, Engineering Fabrication & Boilermaking, Electrical, Metal Fabrication, Painting, Scaffolding, Air-conditioning - High, Water Supply - Low, Communication Systems, Floor finishing & covering, Glazing, Insulating, Mechanical Services, Plastering - drywall, Signage, Structural Landscaping, Telecommunication Cabling, Wall & Floor Tiling, Fire Protection Works - Low, Fire Alarms - Low, Drainage - Medium, Generator Works - Medium

Project Environment: Low
